

Caruso How To Guide

Switching investing entities

If you have more than one investing entity with Mackersey Property, the below steps will explain how you can switch between investing entities to enable you to view each portfolio, documents, transactions & apply for new offers.

1. When you are logged into the portal, you will see in the top right the current investing entity you are logged in to view

The screenshot shows the Mackersey Property portal. The top navigation bar includes 'Invest', 'Portfolio', 'Documents', and 'Transactions'. The user is logged in as 'Mackersey Test', which is highlighted with a red circle. Below the navigation bar, there are two investment offers:

- Hoskyns Road Limited Partnership**
 - Location: New Zealand
 - Valuation: \$75,700,000
 - Projected Gross Distribution: 5.50*
 - Lease Term: 15 years
 - Description: This strategically located, to be built Progressive Enterprises' distribution centre for perishable goods is an ideal investment
- Mackersey Drury Limited Partnership**
 - Location: New Zealand
 - Purchase Price: \$105,416,140
 - Projected Gross Distribution: 6%*
 - Lease Term: 38 years
 - Description: The future of logistics in New Zealand is here. Mackersey Property partners with Koau Capital Partners on New

2. Click on the down arrow. This will give you three options, investment settings, switch investing entity or add investing entity
3. Select 'Switch investing entity'

The screenshot shows the Mackersey Property portal with the dropdown menu open for the current investing entity 'Mackersey Test'. The menu options are:

- INVESTING AS
- D Billing Test Trust (TRUST)
- Investment entity settings
- Switch investing entity** (highlighted with a red circle)
- + Add investing entity
